

## Display Ads

The more you tell, the more you sell.

A bigger ad not only gets more attention, it lets you say more.

### Our promise is to:

- > Feature display ads within a classification in order of size from largest to smallest.
- > Prioritise same sized ads in a classification from the longest tenured advertiser to the newest.
- > Sort all listings and typeset ads by your Listed Business name to ensure you can be found alphabetically.
